Subject : Cote d'Ivoire - Sponsoring of radio program

Re your profs dated March 14 I would like to make the following comments :

- 1- Art. 4 of code of conduct does not ban radio sponsoring
- 2- The program to sponsor is the Sunday afternoon sports program which is not all oriented to teenagers. We have already our normal radio spots at the beginning and at the end of the program.
- ~ We are sponsoring the same program on Africa N.1 (30 mio listeners all over Africa) under the supervision of the marketing department.

Would you be kind enough to let me know your comments if they are now different to the previous ones.

Kind regards,
F. Duarte
